Schools Work

BCS Berkshire has been working with schools in and around Berkshire. We have been sponsoring Teen Tech (http://www.teentech.com) and the Bucks Skills Show. We were at the Bucks Skills Show at The Gateway, Aylesbury on 12th and 13th October 2018; and we will be at TeenTech Surrey at Surrey Sports Park in Guildford on 22nd January 2019.

Volunteering

Volunteers Needed in West Berkshire– Ability Net

Our volunteers provide free technology support to older people and disabled people of all ages. We are looking for people in West Berkshire to join our nationwide team of volunteers who offer free technology help and support over the phone and in people's homes.
As one of our volunteers, you can...
• use your IT skills to help change the lives of older people and disabled people of all ages
• have the opportunity to become a Digital Champion and gain industry recognised training
• benefit from regular training and technology updates
• network with a nationwide team of other IT volunteers
• plan your volunteering time around your home life and other commitments.
Find out how you can get involved today: https://www.abilitynet.org.uk/support-us/join-our-volunteers.

Other News

Our BCS Berkshire Chair has written a great piece on bitcoin! It will also appear in the ITNow magazine! Give it a read and let us know what you think.

Other IT Events around Berkshire

ConnectTVT - Connecting Thames Valley Tech is a Reading-based platform bringing together the Thames Valley's fast-growing entrepreneurial ecosystem, tech and digital economy, in Reading. Check out some interesting upcoming events on their website - https://www.connecttvt.co.uk/events

For science, engineering and technology events see the Institution for Engineers & Technology events diary at https://communities.theiet.org/communities/events/258.

Later in 2019

Keep an eye on our website for CV Clinic and a talk on a new smart system for buses in January; Emerging Technologies in IoT & Smart Berkshire in February; and IT Project Failures and 5G networks in March, 2019.

We are also planning some events such as cybernetics, IoT, professional development in the coming months, in conjunction with the BCS Learning and Development Specialist Group and other associations. Watch this space!
