

Hildi Franke

Early Career Award

Call for nominations

The BCS Primary Healthcare Specialist Group wishes to recognise and encourage innovation and excellence in primary care computing and informatics.

The [Hildi Franke](#) Award is given to those who have made a contribution to the subject, either as a paper, a piece of software, or a set of accomplishments. All formats will be considered.

For the purposes of this award 'Early Career' is defined as five years or less in primary care IT, while 'Student' is a current student or has graduated within the past two years

As well as a certificate, the prize includes an award of **£150**. The winning entry will be published online on the [PHCSG website](#).

The prize winner will be announced at the annual dinner of the [Primary Healthcare Specialist Group conference](#) on the evening of **14th November 2024** at Hollins Hall Hotel, Shipley, BD17 7QW.

Two of the shortlisted applicants will be asked to attend and present their work at the Education Day meeting on **Thursday 14th November 2024**.

If you think you know someone who has made an important contribution then please encourage them to make a submission. If you wish to discuss a possible submission, please email chair@phcsg.org or richard.williams@phcsg.org.

Submissions can be made via [this form](#) by **5th September 2024**.

Don't forget that the simplest things sometimes have the biggest impact!

Entrants will be notified of the outcome in October.

If you don't have an entry this year, but would like to explore the art of the possible with like-minded and experienced practitioners, then do come to the **FREE Education Day** and get some advice from regular attendees with a track record of success.
